Mr. Carson,

This letter responds to your July 25, 2019, Freedom Of Information Act (FOIA) request, assigned Case number DLA-LANDM-2019-003333 requesting, "... that we be provided with the manufacturer, their cage code and physical location that R M Government Services is using ..."

Your request does not identify specific records or documents you are requesting and must be identified for us to process your request. We need specific files, dates and subjects of records or documents. "Any and all or not limited to" requests cannot be processed. The FOIA requires us to provide a reasonable, nonrandom search for records, we do not perform research.

The FOIA office does not answer questions, it provides agency records. Please note under the FOIA:

"When determining the scope of a FOIA request, courts have generally held that agencies are not required to answer questions posed as FOIA requests, nor are they required to respond to requests by creating records..."

Additionally, please note that pursuant to the FOIA, 5 U.S.C. §552(b)(4), trade secrets and confidential commercial and financial information, the release of trade secrets and confidential commercial and financial information is exempt from public disclosure as it would cause competitive harm.

We ask that you identify specific records or documents you are requesting no later than August 13, 2019 or we will assume that you are no longer interested and will administratively close your request.

Please reference case number DLA-LANDM-2019-003333 in any correspondence.

Sincerely,
Tyler J. Stewart
